

# Are you getting the most from your premix supplier?

As specialists in pet premixes for over 20 years, we love to give pet food manufacturers more than just a pet premix. The **Premier Pet Nutrition Package** contains many extra gifts that pet food manufacturers across the world use to add nutritional superiority and profitability to their pet food.

#### Free & Unlimited Pet Food Advice

Our team of dedicated pet nutritionists can advise you on how to innovate your pet food formulations and optimise your premix specifications. This has saved our clients many €000's.

#### Customised Pet Premixes

All Premier Pet Nutrition premixes are manufactured in our ultra-safe, pet-dedicated, residue-free, tumble-mix system being formulated individually to give you specific nutritional and commercial results.

#### Free On-Site Pet Nutrition Training

Continually improve your own understanding of pet nutrition, EU regulations, functional ingredients and marketing claims with our customised on-site training sessions.

#### Pet NIR Calibrations

Get the best performance out of your existing NIR machine with our world-leading raw material and pet food calibrations. Effective on most NIR machines: Bruker, Buchi, Foss, Perten, Thermo Fisher, Unity etc.

*If you are a pet food manufacturer seeking to add nutritional superiority and profitability to your pet food, we would be delighted to discuss how our gifts could also help you.*
